

Accessibility Specialist

LCM has immediate openings for in-house, full-time Accessibility Specialists at various levels of experience.

Responsibilities

- Review architectural/engineering plans and specifications for compliance with accessibility codes and standards
- Perform on-site peer review for projects under construction
- Conduct comprehensive accessibility surveys of existing sites and buildings
- Prepare detailed reports documenting observed deficiencies
- Up to 25% nationwide travel may be required

Qualifications

- Degree in architecture, engineering, construction management or related field
- Prior architectural and/or engineering work experience
- Basic knowledge of the accessibility standards of the ANSI A117.1, the 2010 ADA Standards, and the Fair Housing Act
- The following licenses, certifications and registrations considered a plus: licensed architect or engineer, Certified Access Specialist program (CASP), Registered Accessibility Specialist, Certified Accessibility Inspectors/Plan Examiner
- Proficiency in Microsoft Office Suite programs
- Detail-oriented with excellent organizational, verbal and writing skills
- Ability to work independently or on a large team

To Apply

- Send cover letter and resume in PDF format to careers@lcmarchitects.com with ACCESSIBILITY SPECIALIST in the subject line

Compensation will be based on experience and skills. LCM provides a competitive benefits package that includes PTO, health insurance, 401k savings plan, and more. LCM is an equal opportunity employer.
